

# Homework Assignment #1

- Identifying Problems
  - Make an exhaustive list of every problem you see either in your life or with the world at large.
  - Be picky! Write down everything that bothers you over the next day.
  - Can be minor or major things.
  - Rank and be prepared to present your top three issues in class Wednesday morning.
- Email your list to [indonesia-summer-2013@mit.edu](mailto:indonesia-summer-2013@mit.edu) by 6pm Tuesday.
