

# Design Definition

Assignment due 6<sup>th</sup> June 8 AM

In your own words, come up with a definition for design. (100 words max.)

Choose three objects that you think fit your definition of design very well. Describe why you feel the chosen objects are good examples for your definition of design. (100-200 words per example)

Please ensure that the examples chosen are different – the aim is to come up with a broad definition of design that applies to a variety of things. For e.g., do NOT choose 3 cars, or 3 pieces of furniture. The examples may be from any part of the world.

There will be a small prize awarded to the best submission 😊
