

We will be revising this soon, but this is a starting point for what you should know in python:

Up to 4.7.5:

<http://docs.python.org/release/2.6.7/tutorial/controlflow.html>

Everything:

<http://docs.python.org/release/2.6.7/tutorial/datastructures.html>

Up to 8.4:

<http://docs.python.org/release/2.6.7/tutorial/errors.html>

All of this:

<http://docs.python.org/release/2.6.7/tutorial/inputoutput.html#old-string-formatting>

9.3 and everything after 9.4

<http://docs.python.org/tutorial/classes.html>

Skim:

<http://docs.python.org/library/re.html>
